Editing & Its Discretion

Editing is included in all provided services. Images are chosen and edited at the Photographer's discretion and delivered photos may/will not include all images shot.

Editing is done on a First Come, First Serve Basis. If your photos have a deadline, it is recommended to book your session with enough time for proper editing to be done. The Photographer reserves the creative rights to edit and release only those images deemed creditable as professional in quality and within the photographer's artistic standards.
